Airport Transfers

Arrival information must be sent to EC as soon as possible otherwise clients will not receive airport transfers. When students arrive at the airport they must proceed to the Arrivals Lounge to meet the EC representative who will be holding an EC sign. If students do not see the EC logo, they must go to the Airport Information desk and call our emergency number which they will receive in your booking information. Students will be transported to their accommodation. Travel time from the airport to the school is approximately 20 minutes, but can take up to an hour if you are caught in rush hour traffic.

Welcome Pack

Students receive a Welcome Pack at the airport upon arrival. This Welcome Pack contains a welcome letter, a map and brochures detailing local places of interest. The Welcome Pack also clearly states on the front the time the student must be in school for their placement test. Students are expected to arrive at school at 8:00am on their first morning.

Placement Tests

The time of the placement test is 09:00. The exact time students have to be in school is printed clearly on their Welcome Pack. It is very important the student is punctual to ensure everything runs smoothly. The placement test assesses the students level of English and takes between 30 to 45 minutes to complete. After the Welcome Talk the student will have an oral interview with a member of the academic team after which students will be placed into a relevant group in accordance with their ability.

Welcome Talk

After the student completes the placement test, they will proceed to a welcome talk given by the customer relations department. Information will be given on lesson structure, timetable, academic information, school facilities and leisure activities.

Lessons

Students will be placed in their classes by the start of the second module at 11:00 to begin lessons.
