### EC New York applies the following timetable:

At EC New York, there are 3 timetable options when studying General, Semi-Intensive and Intensive lessons

- 20 lessons per week (15 hours) - General English. Students are assigned a morning or afternoon bank upon arrival. (Students will only be assigned an afternoon bank during busy season while the morning bank is offered all year).
- 24 Lessons per week (18 hours) - Semi-Intensive English. Elective lessons take place twice weekly between 12:45 and 14:15 in combination with General English courses.
- 30 Lessons per week (22.5 hours) - Intensive English. Elective lessons take place Monday through Friday from 12:45 to 14:15 in combination with General English courses.

### Double Banking Explained:

During busy periods EC New York uses an alternative timetable called Double Banking. Put simply, students are either on Bank A or Bank B where they attend a morning session of classes one day and an afternoon session of classes the next day. This very simple timetable gives students the opportunity to have free time at different periods during the day, allowing them to have a lie in one day and an afternoon on the beach the following day!!
